- Education: BA with Honors, Art History and Minor, Wharton Business School, University of Pennsylvania

Linda has over 20 years of Executive Search experience in the Life Sciences, Marketing, Media, Digital Transformation, Technology and Nonprofit industries. Her clients range from small regional organizations and start-ups to large global companies, agencies, and marketing service firms. She considers her experience and deep relationships integral to making successful senior leadership placements. Linda's clients value her for taking the time to understand their business, culture, and organizational needs, resulting in successful long-term partnerships.

Prior to joining Fusion Search Partners, Linda was a Partner at August Leadership Global Search. In this role, she was instrumental in building the firm's Life Sciences and Nonprofit verticals as well as driving growth for their Media, Marketing and Digital Transformation practice. She was also highly valued for providing clients with insights and direction on evolving their organizational structures and capabilities.

Linda's search experience was preceded by a successful career in advertising and marketing, having held leadership positions at global advertising agencies, including Grey, Bozell and Arnold WW. In these roles, she partnered with leading healthcare companies, including Novartis and SmithKline Beecham as well as blue-chip brands such as Kraft, Revlon, BASF and Procter & Gamble.

"Linda has made significant contributions to our business, helping to attract new talent and leadership that drives our competitive edge. More than an executive search consultant, Linda approaches each assignment as a business partner, consulting through a deep understanding of our business and industry. There is no question, Linda believes her work is her reputation and business is personal."

- EVP, General Manager, Global Marketing Services firm
